Dear Rex,

The Wrigley Company is pleased to announce the results of our annual carrier recognition awards honoring the following categories: less than truckload (pool distribution), full truckload, and intermodal service. And, for the first time, we are recognizing warehouse performance as well as a Lifetime Achievement honoree. We are excited to pay tribute to those organizations who have demonstrated excellence in performance.

The Wrigley Logistics Team would like to congratulate each winning team for their achievement, and express our appreciation for creating value for WM. Wrigley Jr. Company. In celebration, we will be formally honoring the 2007 winners (details to follow in a separate mailing). Recipients in each division are listed to the right.

As we continue to grow our businesses and strengthen our partnership with all of our providers, we look forward to further developing our relationships as well as sharing our mutual talents in delivering exceptional service to our customers.

We also extend our gratitude to all of our service partners for their continued efforts each day. It is our hope that all of our providers will be recognized at some point in the future and to applaud the 2007 winners for their success.

Sincerely,
